Academies Trust

**Careers Leader :**

## **1.0 Rationale and Vision**

The Co-op Academy Trust is committed to ensuring all our students have access to high quality career related learning (CRL) opportunities throughout each stage of their development. Our CRL programmes will inspire, raise aspirations and give our students an optimistic outlook on life.

At Co-op Academy Woodslee, the vision for the development of CRL is to provide the very best opportunities to enable our pupils to broaden their horizons and raise aspirations. We want our children to see a clear link and purpose between their learning experiences and their future. Our programme promotes equality of opportunity, gives exposure to the world of work, celebrates diversity and challenges stereotypes.

### **1.1 We are always guided by our Coop values:**

#### **Do what matters most**

What matters most is ensuring that our students achieve the best possible outcomes.

#### **Be yourself, always**

We bring our best self to work, so that we each contribute a bit of our own unique Co-op difference, and respect others for doing the same.

#### **Show you care**

We care about our Co-op, our colleagues, our members, our students, their parents and communities, now and for the future.

#### **Succeed together**

Co-operating is what makes us different; we're better and stronger when we work together.

Academies Trust

## **2.0 Intent**

Our CRL program is both bespoke and unique to our academy and is reviewed on an annual basis to meet our children's needs based on internal monitoring and evaluation processes. We are committed to providing a coherently planned and sequenced programme that reflects our academy's context and core values. Our programme is designed to entitle all children to develop their knowledge, skills, understanding and cultural capital to support them to go on to positive destinations that meet their aspirations and interests. With this in mind we aim:-

- To broaden children's horizons and raise aspiration with the ultimate aim of improving social mobility
- To support the raising of standards of achievement and attainment for all children, especially by increasing motivation, attitude to learning and attendance
- To reinforce the importance of numeracy and literacy in later life
- To support inclusion, challenge stereotyping and promote equality of opportunity
- To excite and motivate children about their curriculum learning by ensuring there are strong links between education and the world of work.
- To develop enterprise and essential life skills through Skills Builder
- To help children to learn about, and develop, their skills and qualities to instil greater self confidence
- To tailor CRL learning / events to meet the needs of all our children through appropriate differentiation
- To involve parents and carers whenever appropriate
- To use current labour market information (LMI) to enable children, staff and parents to engage actively with local and national CRL information so that they can increase their knowledge and understanding about the world of work.
- To use all feedback to reflect on our current provision to develop our future CRL program
- To provide additional support to specific vulnerable groups such as SEND and pupil premium
- To monitor and evaluate current provision in order to ensure our program is quality assured in line with other curriculum areas
- To share best practice with other Co-op academies at network events to ensure reflection and development of own program
- To ensure each key stage get a least 1 employer encounter
- To achieve / work towards a Quality in Careers award in recognition of all that our academy offers

Academies Trust

### **2.1 Learner entitlement**

All children are entitled to consistent and whole school delivery of CRL to ensure they understand who they may become and develop a healthy sense of self to enable them to reach their full potential. This will include real life experiences of the workplace, physically in KS2 and virtually in EY / KS1

### **2.2 Planning & curriculum**

Planning for CRL is included in the long term PSHE planning. Teachers are encouraged to explore links to careers through the core and non-core curriculum when possible both implicitly and explicitly. It is recognised that opportunities are often spontaneous, following the children's learning, experiences and ideas.

### **2.3 Approaches to teaching and learning**

The curriculum is approached in a variety of ways, using a range of teaching and learning styles. In CRL we place emphasis in active learning including the pupils in circle times, role play, research and enterprise activities. Visits, and visitors, will also form part of our CRL curriculum. Through the curriculum we will aim to give children real life, authentic experiences of the world of work.

### **2.4 Visitors and visits**

It is recognised that visits and visitors will form part of CRL. Our CRL leader will actively seek relevant and meaningful encounters from a wide range of sectors and providers. Please also see the Trust Health and Safety Policy regarding risk assessment for visits and our Safeguarding Policy for visitors on site.

Academies Trust

### **2.5 Assembly programme**

The assembly programme for CRL is devised by our CRL lead and will support teaching in class through a range of different approaches. Our CRL lead will deliver a range of assemblies on job opportunities within different subjects to link learning to life. Teachers will also deliver assemblies on different careers which will reflect the results of our aspirations survey in KS1/2. Aspirational visitors will also be included in the assembly programme. The CRL assembly programme is to be devised by the Headteacher and CRL Lead.

### **2.6 Parental Engagement**

Parental engagement in CRL is based around raising parents' awareness of the nature of their supportive role in their child's future. Engaging parents is a key driver when delivering career development activities and CRL should raise aspirations for the parents and their children. We will also look for parent / extended family CRL opportunities to complement our CRL program.

### **3.0 Implementation**

Our program is taught via bespoke activities and events, subject curriculum and extracurricular activities, and a wide range of enrichment activities.

CRL is delivered by a range of providers such as teachers and support staff, FE Colleges, Universities, visiting speakers, employers and employees. This delivery includes bespoke workshops, assemblies, project / challenge / enterprise days and via subject curriculum. Our staff receive regular CPD to support them in embedding essential skills (Skills Builder) into their subject areas. Our parents can access our

academy's website which provides clear links to a range of CRL related events and information about local market information (LMI) . The CRL events / activities outlined below are all planned to take place over the year in addition to CRL in the curriculum.

**Autumn Term**

<b>Key stage</b>	<b>Activity / event / curriculum (linked to BM)</b>	<b>Intended learning outcome</b>	<b>BM</b>
<b>EYFS</b>	Exploration of different jobs within their immediate family via history curriculum	Building their understanding of job roles within their family and sharing these as a class to increase exposure.	BM2, 3
	Draw my future	Imagining different possibilities about who they could possibly become (CDI 3)	BM2, 3
	Role play - use of money		
	Skills builder	Development of the 8 essential skills	BM3
<b>KS1</b>	Draw my future	Imagining different possibilities about who they could possibly become (CDI 3)	BM2, 3

Students gain an understanding of the world of work, learning key employability skills through workshops and mock interviews.</p> <p>All pupils start to understand that their career journey has started and will receive further support and guidance from their secondary school.</p> <p>Development of the 8 essential skills</p>	<p>BM3</p>
<p><b>Staff</b></p>	<p><b>Talk about aspirations</b></p> <p><b>Provide pupils with opportunities to ask questions within EVERY trip/visit about careers.</b></p> <p><b>Take pictures of all trips/visits and upload to the system.</b></p> <p><b>Find inspirational speakers to visit</b></p>		

Possible events

- Visits to Universities (BM1,7)
- Visits to FE College (BM1,7)
- Visits / trips (remember all visits are to someone's place of work!) (BM1,2,3,5,6)
- Co-op core offer (BM1,2,3,4,5,6)
- PSHCE CRL element of SoL (BM1,2,3,4,5,7)
- Career sector insight assemblies (BM1,2,3,5,7)

- Challenge / enrichment days or week (BM1,2,3,4,5,6,7)
- Aspiration audit (BM1,3,8)
- External providers such as Primary Futures i.e Enterprise activities / assemblies (BM1,2,3,4,5)
- Workplace visits (BM1,2,3,4,5,6)
- Curriculum links to employers (BM1,2,3,4,5,6,)
- STEM activities (BM1,2,3,4,5,6)
- Staff LMI CPD (BM1,2,3,4,8)
- Curriculum mapping (BM1,2,3,4,5,6,7,8)
- Skills builder resources / development (BM1,3,4,8)

## **Staff**

- Annual update on LMI (BM1,3)
- Directed time to develop CRL in the curriculum (BM1,4,8)
- PSHE curriculum review (BM1,4,8)
- External CRL CPD ie visiting a local subject related business (BM1,2,4,5,6)

## **4.0 Impact**

Measuring the impact of our CRL programme supports us to develop it on a termly / annual basis and to know that we are making a positive and empowering difference. We value quantitative and qualitative feedback from all stakeholders and ensure our evaluations lead to change / amendments in our future planning. We undertake internal and external quality assurance to ensure our intent and implementation is in-line with our expectations. Our CRL program aims to demonstrate the following impact:

- Raise in aspirations (aspiration data)
- Increased understanding of stereotypical jobs (google forms)
- Feedback and evaluation for all events, both quantitative and qualitative
- Increase in attendance / reduction in PA over time
- Reduction in behaviour incidents including Ftex / Pex over time

Academies Trust

- Increase in progress / attainment over time
- Progress and achievement data over time with reference to vulnerable groups i.e SEND
- Development of employability skills after key events
- Range of employer engagement increasing

## **5.0 Useful websites**
